REPORT TO THE LISTENER

Dear Listener,

KPFF radio is now 35 years old. This station has gone through more changes in 35 years than most radio stations do in their entire short lifetimes. Not too many radio stations get to be 35 years old without completely disappearing and rediscovering a new format, call letters, personnel, audience, etc., etc., etc.

KPFF is currently busy analyzing the idea of its own metamorphosis. In the beginning of July, the Pacifica National Board met in Berkeley, California with program and management from each station to determine the source of audience decline at four of the five Pacifica Radio stations over the past five years (only KPFF has shown an increase). We examined whether the decline was the result of changing times, standards, audiences, content, format, economy, other media, or maybe just a need for new call letters. For the last 35 years, KPFF has tried to serve the same type of audience, an audience which crosses all lines of race, religion and ethnicity. Our audience continues to be a critical thinking group that seeks the truth and will support source of factual news and information.

The dilemma of Pacifica in general, and KPFF in particular, is that our current programming fare is not generating a growing audience. We know that some of our 35-year old programs (Uncle Ruthie) are still fresh and drawing an audience, but we also know that the bulk of our old standbys are just holding on to a dwindling audience.

How we will continue to serve the Southern California community is a puzzle we are currently working to solve. The recent Berkeley retreat was a major step in a nationwide comprehensive study of technique, funding, production and, most of all, audience demographics. Our goal, and the course charted, is to deliver great programming and attract an audience, while still adhering to the Pacifica Mission.

The Pacifica National Board is currently forming a Program, Standards and Practices Committee. This committee will work within a plan similar to the one that brought the Pacifica Development departments to their exemplary level. It will involve funding and other elements needed to attract our audience. KPFF can and will deliver innovative programming that is typical, and unique to, Pacifica (and as thrilling as Claire Sparks' Independence Day production). Give us your opinion, help us do the things you need and want. We want to serve you for at least another 35 years.

CLIFF ROBERTS

The Pacifica Foundation provides the KPFF mailing list to an organization which in turn rents or exchanges, on behalf of the Foundation, mailing lists of other non-profit organizations. If you object to having your name and address used in this way, please write to our Subscriptions Department, enclosing a recent Folio label, and we will omit you from our exchange list.

If your request has already been entered into the computer, the letters "NX" will appear on the top line of your mailing label, to the right of the expiration date.

11 WAYS TO HELP KPFK

Here are 11 ways you can support your radio station: KPFK

1. **BECOME A MEMBER/SUBSCRIBER**
2. **WRITE A CHECK** (or use your credit card). Membership is the station's lifeline but it never covers all of our expenses. Make an additional contribution. This is the simplest way to demonstrate your commitment to independent, community-based radio anytime during the year.
3. **MAKE A PLEDGE**. You may prefer to make a quarterly or monthly pledge to maximize your donation. You may also make an annual pledge over several years.
4. **ESTABLISH A TRUST**. Some trust options can reduce your taxes now or in the future. We will work with you to set up such an arrangement.
5. **GIVE REAL ESTATE AND OTHER PROPERTY**. Gifts of real estate can help you avoid capital gains or other real estate taxes.
6. **DONATE LIFE INSURANCE**. Designate KPFK as a beneficiary on a life insurance policy.
7. **ESTABLISH A MEMORIAL**. You may honor a loved one with a memorial gift or give our of respect for a living person.
8. **TAKE ADVANTAGE OF EMPLOYER MATCHING FUNDS**. Find out if your employer has a policy of matching charitable contributions. Your gift to KPFK will automatically increase.
9. **MAKE A GIFT OF STOCK**. You can avoid paying capital-gains tax and get a tax deduction when you donate stocks that have appreciated in value.
10. **MAKE A BEQUEST**. You can make a lasting gift when preparing or revising your will by designating KPFK as a recipient. Contact us if you need information on how to do this.
11. **DONATE IN-KIND GIFTS OR SERVICES**. Goods and services such as office, computer and audio equipment, printing, design services, photography and other professional expertise can be valuable to KPFK and a tax deduction for you or your business. In addition, the donation of your professional services may be eligible for matching funds.

KPFK 90.7 FM is a listener-sponsored, community-based radio station located in Studio City, California, broadcasting alternative programming at 112,000 watts in Southern California since 1959.

While a majority of the population, women are still a power minority. Jude McGee will host a two hour roundtable on *Women's Economic Equality* with feminist economists, union activists, welfare workers and recipients, and many others from the grass roots to the academy for a full discussion, including listener call-ins.

As evidenced in recent elections, cur-
